## OCCASION:

## PERFUME DESCRIPTION:

A dense composition of rum, whisky, honey, tobacco and spices, anchored by vanilla, oud, amber and woods. A heavy festive scent: warm, long-lasting and suited to cold settings.

## PERFUME STORY:

Here the heavier emotional angle appears: dark liquor, sweet tobacco, woody incense and oriental spices. The scent does not try to be neutral; it declares presence.

## PERFUMER'S NOTE:

I searched for a quiet night that needs no noise. Saffron and citrus open the scene with a light shimmer, then rose, jasmine, lavender, and myrrh enter, ending on tonka, labdanum, and patchouli. Soft at the edges, deep at the base, without turning into a direct oud.
